Inquiry about an offer

Object information:

Name:		
Object description (e.g. school, hotel, hospital):		
Location (country, postcode, city):		
Maximum heat requirement (approx.):		kW
Rated power of existing boilers:		kW

Details of the CHP unit:

We are interested in a CHP unit with:

Electric power:		kW
And/or heating power:		kW

Following operation modes are requested:
(please mark the requested modes)

- ❑ only parallel to mains operation
- ❑ parallel to mains plus isolated operation
- ❑ only isolated operation mode

Voltage		V
Mains frequency		Hz

Heating water inflow temperature max.:		°C
Heating water reflux temperature max.:		°C

Fuel available:

❑ natural gas	pressure:		mbar
❑ biogas	pressure:		mbar
❑ sewage gas	pressure:		mbar
❑ propane gas	pressure:		mbar
